Relative Estimating

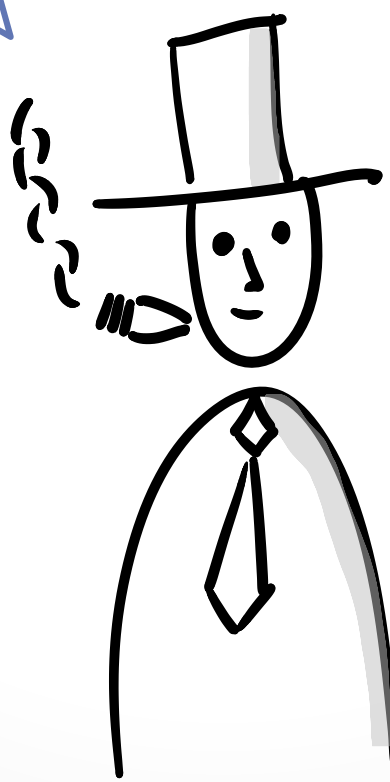
High quality code

"If estimates were accurate we would call them Facts"

- Dhaval Panchal -

OK. Get it!

Can you answer my questions now?



Silent Sort Estimating

Aka Affiniti Estimating

Ingredients:

* Product Backlog
* Development Team
* Product Owner
* Facilitator

Step 1:
Get your backlog

Step 11:
Get everyone in

Step III:
Create Estimation Labels

Step IV:
Explain Goal & Rules

Step V:
Share the backlog

Step VI:
Get the things moving

Step VII:
Validate

Step VIII:
Get PO feedback

Step IX:
Write estimates down

Step X:
Enjoy the day!

Thank You!
