A screenshot of the Trello mobile application. At the top, there's a header bar with icons for navigation, search, and account settings. Below the header, the board title 'Project Team Spirit' is displayed, along with a star icon and a member count of '+12'. There are buttons for 'Invite' and more options. The main area shows a board with three columns: 'To Do', 'Doing', and 'Done'. Each column contains several cards with progress bars, due dates, and assignees. The 'To Do' column has two cards, the 'Doing' column has one card, and the 'Done' column has six cards, with the last one having a due date of 'Feb 12'. The overall design is clean and modern, using a color palette of purple, pink, and blue.
